Justices Deny Writ In Road Controversy

No Comment Is Made In Denying Motion Of Petitioner

BOARD IS LOSER

Purpose Was to Force Roads Into Hands Of Supervisors

Attempts to force the control of county roads into the hands of the supervisors as sought by an action instituted by John Reuter, of Redwood City, president of the Taxpayers' Protective League of San Mateo County, failed yesterday, the United Press reported.

The state supreme court denied, without comment, Reuter's petition for a writ of mandate to compel the supervisors to reassume the road duties surrendered last Monday to County Engineer James S. James.

Reuter's action was filed in the high court last Saturday, and was based upon a previous surrender of the road duties to James. On last Monday, the board again took the same step, following the course set up in the charter.

The action atempted to have the supreme court hold that the surrender of the road duties to James was in violation of general law.

Attorney W. H. Morrissey, who briefly held the post of county counsellor, said the charter gave the supervisors "all duties performed under general law," and that they had no right to relinquish control of county roads.

This, however, was one of the central points of the charter and the proposed centralized road control under James won a good percentage of its support because of promised savings.

The Tribune predicted, in an editorial Tuesday, that the action had "little chance of getting far" in the supreme court. The editorial further said "that the supreme court will let it rest as The People wish it."

This is the second attempt made to have the supervisors reassume the road duties. The previous defeat came when Attorney General U. S. Webb ruled that the offices of engineer and surveyor were consolidated by the charter and that the freeholders intended that the engineer should assume the road duties.

Simple Rites Mark Burial Of Johnson

Private Home Funeral Is Held for Son Of Senator

Strictly private funeral services were held at 2 p. m. Wednesday for Archibald McNeal Johnson, 43, younger son of United States Senator Hiram Johnson, who killed himself early Tuesday at his fashionable Hillsborough home.

The services were held at Mr. Johnson's late home, with the Rev. Harold G. Gardner of St. Paul's Episcopal Church, Burlingame, officiating. Interment followed at Cypress Lawn Cemetery.

Army friends of Mr. Johnson, who served as a major during the World War, visited the home Tuesday night to view the body.

Senator and Mrs. Johnson and their other son, Hiram Johnson Jr., and a few intimate friends of the family, were all that were scheduled to attend the rites. It was requested that no flowers be sent, but quite a number of floral pieces arrived.

The senator's son was a well-known attorney of the bay region and was also prominently identified with club, sports and society circles.

The suicide is believed to have been caused by ill health and worry and because of distraction over his wife's recent divorce in Reno, and her remarriage.

Some Below Minimum

Several of the proposals were offers of lots, however, that are below the minimum requirement of 100 feet by 125 feet.

Police Chief Frank Love was granted 30 days' leave of absence without pay by the council, and Officer Thomas J. Kearney was named acting chief.

E. M. Rankin was appointed a member of the planning comission to succeed J. H. Sullivan.

Bids were asked on the printing of 500 receipts in duplicate for the use of the city judge and for 1000 business license receipts in triplicate.

LOCAL FIRMS FALL INTO LINE UNDER NRA BANNER

Representatives of business establishments throughout the city today were cooperating in the national recovery movement, following a meeting in the firehouse auditorium Monday under the sponsorship of the retailers' division of the chamber of commerce.

W. D. Ryan, chairman of the retailers, opened the meeting and turned it over to D. P. Washburn, who took charge in the absence of Edward T. Harrison, chairman of the local recovery committee.

The following resolution was passed, following its introduction by Mayor William J. Dusel:

WHEREAS, President Roosevelt has called upon the entire nation to rally to a plan for economic recovery, and

WHEREAS, we are here assembled to determine what action shall be taken on the president's request;

NOW, THEREFORE BE IT RESOLVED, that we, as representative business people of Redwood City, California, do hereby pledge our own conformance to the president's universal pledge, and to the general spirit of the national recovery act;

RESOLVED FURTHER, that we will assist to the best of our ability in helping to make the plan effective for the entire community.

Druggists announced, through E. L. Lock, that they would close at 9 p. m. instead of at 10:30, as in the past. This was taken under advisement pending receipt of information from other communities on the peninsula.

It was agreed that all retail stores outside of food stores are to open at 8:30 a. m. and close at 5:30 p. m., and that

Eagle Displayed

All business men present had either signed the president's agreement, or agreed to do so today. The NRA eagle was displayed for the first time in Redwood City at the meeting, amid the applause of those present.

All lines of business present, not included in formal agreements as to opening and closing hours, arranged to work through the chamber of commerce to arrive at schedules for their respective businesses.

Among the firms represented Monday as cooperating in the NRA plan were Hull Brothers, J. C. Penney Co., F. W. Woolworth Co., J. P. Hearne Co., Dickson's Dry Goods store, Montgomery Ward & Co., Redwood City Hardware Co., Ryan Furniture Co., Safeway, McMarr, Piggly-Wiggly, Peninsula Stores and Popular Market.

As an example of what can be done in the larger firms, it was reported that seven persons had been added to the payroll of Montgomery Ward & Co. today.

It was explained that numerous stores had not yet been interviewed, and that there would undoubtedly be other names to add to the list.

Renovize Aides Appointed by Local Manager

Redwood City's part in the county-wide renovize campaign assumed business-like proportions today when Henry Witte, chairman locally, named six of the seven captains who will conduct the house to house drive to induce property owners to sign pledges that they will improve their buildings.

Chairman Witte appointed James Eva, Emmett Donnelly, Robert N. Jones, H. E. McCleary, Thomas Cutting, and Duncan Reynard. Dr. W. H. Taylor was named to assist in Cutting's district.

In South San Francisco last night, Ex-Gov. C. C. Young, chairman of the county executive committee, spoke on renovizing at a public meeting.

Peter Balestracci addressed the Italians present in their own language on the same subject.

In San Mateo, E. C. Lydon and J. O'Donnell were appointed as vice chairmen to assist Chairman Al Rochex.

Meanwhile, on the coastside, Mrs. Dorothy Mackintosh of Salada Beach was acting as chairman of the renovize committee there.

Test Opened On Kellogg's Right to Post

Quo Warranto Action Brought by County Taxpayer

PAPERS SERVED

Two Points Involved In Attacking Manager

Quo warranto proceedings to test County Manager Walter T. Kellogg's right to that office were instituted Thursday by Attorney John E. Manders of Redwood City.

Manders represents E. H. Forestier, Burlingame resident and San Francisco jeweler.

The proceedings, which ask "by what warrant" Kellogg holds the office, set up two grounds of protest:

(1) That Kellogg was an agent of the Pacific Gas and Electric Company—which held contracts with the county—at the time of his appointment;

(2) That the supervisors were without authority to appoint Kellogg.

Kellogg was served with the papers in the proceedings today, and Manders then left for San Francisco to file a complaint with Attorney General U. S. Webb asking "leave to sue" in the superior court here to remove the manager.

Manders must cite points and authorities supporting his contention. Kellogg will have an opportunity to answer the charge, and then if Webb grants Manders the right to file the complaint, it will be brought in the local superior court.

Both superior judges here are believed to be disqualified to sit on the case as the question of the qualification board, upon which they refused to serve, will come up during the hearing.

The proceeding is rather rare and was used last on the peninsula in testing City Attorney Albert Mansfield's right to hold that office in San Carlos. Mansfield, it was charged, could not hold the office because he was a non-resident.

Manders' complaint alleges:

"That said defendant (Kellogg) is not now, and never has been, eligible to hold the office of county executive . . . he being an agent or employee of the Pacific Gas and Electric Company, which . . . is doing business under and by virtue of a franchise granted by said County of San Mateo, and that said Pacific Gas and Electric Company . . . now has contracts with the said County of San Mateo."

On the second point, the language reads:

"That said board of supervisors . . . was and now is without power or authority under the charter to appoint the defendant, Walter T. Kellogg, to the said office of county executive of the said County of San Mateo."

It is asked that Kellogg be "ousted and excluded" from the office of manager.

Kellogg was appointed to the office of May 29 and took the oath two days later. His appointment by the supervisors followed a supreme court ruling that the qualification board as constituted by the new county charter was illegal.

Board Orders Inspection of Three Trucks

Supervisors Rescind Action Of Week Ago

WITT EXPLAINS

Had Agreement For Their Use Up To $1000

Rescinding their action of a week ago by which they agreed to buy three trucks previously rented by Supervisor Albert Witt, the county supervisors Monday moved that an inspection of the equipment be made to determine its value.

County Purchasing Agent Ernest Werder, through whom the trucks must be acquired if purchased, and County Engineer James S. James, who will use them in his department, were instructed to determine the shape of the equipment.

Supervisor Witt said the acquisition of the trucks, which was revealed last week when an invoice showing a balance due of $4644 was sent to County Manager Walter Kellogg, was made with the "full knowledge" of the board of supervisors. He denied any irregularity in the transaction.

Supervisor C. V. Thompson, Burlingame, said the "only thing on record is that you were allowed $500 for hiring of trucks."

Witt said that he had not agreed with the General Motors Corporation to buy the trucks, but made a "gentleman's agreement" to use them long enough to use up $1,000 worth of rent.

John J. Fahey, Jr., Daly City attorney and son of Roadmaster John J. Fahey of Supervisor's Witt's district, defended the agreement as legal and of benefit to the county.

County Engineer James said the trucks were not "new" as he had first been led to believe, but that they were rebuilt and that two of the three engines had entirely new blocks.

If James and Werder find the three trucks are worth $4644, the supervisors agreed to purchase them in the new budget.

Ralph Battison, 31, advertising man, living at 1422 Bellevue avenue, Burlingame, succumbed in the Mills Memorial Hospital, San Mateo, at 6 a. m. Wednesday of injuries incurred at 11 o'clock Tuesday in a two-car collision in Millbrae.

Battison was riding with Frances Bogue, 29, of 216 Lorton avenue, Burlingame.

The second car was driven by E. B. Flippen, 39, of 5 La Cruz avenue, Millbrae.

Julia Stephen, 23, of 216 Lorton avenue, Burlingame; Benjamin Bogue, 49, of the same address, and the girl driver were all treated at the Mills hospital for cuts and bruises.

Flippen was treated by Dr. J. B. Sweeney at Millbrae for cuts and bruises.

The Bogue and Flippen cars were both proceeding south on El Camino Real when, opposite the San Francisco Water Company gate, they met in a rear-end collision. The Boge car then crashed into a tree.

State Officer Lloyd Minehan and Sheriff James J. McGrath and Deputy Sheriff Adolph Waldeck investigated.

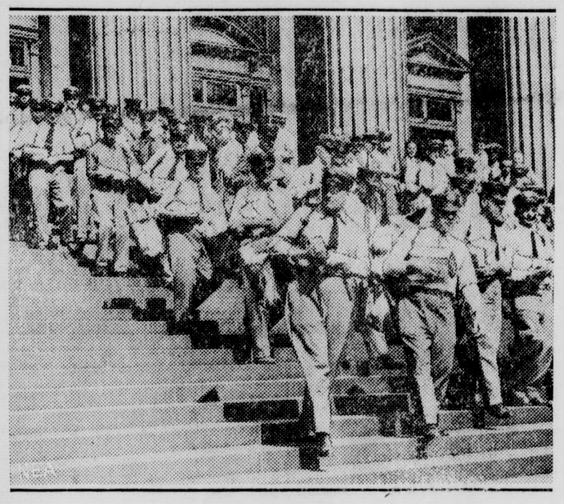
Lower right picture is Tom Hammond, once famous as fullback for University of Michigan, and Rainbow division engineer and brigadier general, who has become right-hand man to Gen. Hugh Johnson in directing voluntary re-employment for the NRA.



HOWELL HAS CONFERENCE WITH BOARD ON CHARTER

James B. Howell of Atherton, chairman of the former board of freeholders, had the members of the board of supervisors and Attorneys Arthur H. Redington and W. H. Morrissey at his home in Atherton Monday for the purpose of seeing that the charter is correctly understood by the county board.

As a result of the meeting, the board met in special session in Redwood City Tuesday and named Howell to the citizens' advisory committee, selected Monday to confer with the supervisors on the charter.

Howell agreed to accept if the supervisors would actually make the committee an out and out advisory board and would consult it every time a charter problem arose. The supervisors agreed to this.

Howell informed Morrissey that he believed the attorney ought to go into courts to represent his clients, some 15 in number, if he feels that certain points of the charter are illegal. He said Morrissey should not be taking up the time of the supervisors as he has in the past and using their friendship.

The freeholder's attitude on the recall was asked, and he stated that his interest was simply that of forcing the proper installation of the charter. He said he would not advise the county as a whole what to do in the matter, but left it up to the districts to decide whether their individual representatives were properly serving them or not.

It was reported today that Attorney Redington has given District Attorney Edmund Scott his personal opinion that the supervisors must be recalled "at large" in the county, but that the recall petitions must be circulated in the districts to secure the proper number of signatures.

It was also said that a similar opinion has been secured by State Senator Harry Parkman from the attorney general's office.

W. H. Eddy, leader of the recall forces, who was named Monday on the advisory committee, considered the latest moves of the supervisors an effort to kill the recall. Eddy said, however, that he is going "to see the fight through."

She discovered her husband's body when she went to his room with Dr. F. Holmes Smith. Carroll had been ill, and he left a note indicating that was the reason for his suicide.

Among well-known race horses at Tanforan owned by Carroll were Kate A. and Patricia.

EDITORIALS

Drop the Recall

Inasmuch as Attorney General Webb has declared that portion of the county charter pertaining to the duties of county engineer to be legal and defining the status of the supervisors and the latter having acquiesed in the opinion, permitting Surveyor James to take over the road work, it is to be hoped the threatened recall of four of the supervisors will be dropped. The supervisors have receded from their former position after hearing from Webb and having accepted the resignation of their attorney, W. H. Morrissey, and appointed members of the freeholder's executive committee to sit with them in all matters, it does seem that the proponents of the charter have been conceded all that was asked for and that no further proceedings be had.

The conflicting elements, for and against the charter, have brought the county much adverse publicity. It is about time that it should stop. A recall would only cause further strife and turmoil and result in more publicity. For the best interests of the county it is to be hoped the leaders of the recall movement will discontinue further effort.

Nation Sympathizes

The people of California and the nation sympathize with Mr. and Mrs. Hiram Johnson in their said bereavement. The tragic death of Archibald Johnson at Hillsborough on Tuesday last has brought sorrow into the lives of both in their declining years that time alone can remove. The heart wound may never heal.

The many expressions of sympathy heard everywhere is consoling to the senator and his devoted wife. The kind words expressed in letters and telegrams help sustain the couple in the dark hours of their trouble. Both loved their talented son to a high degree, and from boyhood watched him advance in his studies until he became an attorney of ability, a credit to the profession to which the Johnson family contributed numerous noted members.

The blow is a severe one for Senator Johnson, who has done so much for the state and nation. He may find comfort in that the whole state is sorrowing with him and praying that he may stand up bravely under the crisis, animated with the feeling that he will one day see again his son in that land beyond.

Helps Consolidation

The controversy recently over the legality of the county charter has given new hope to the group favoring the merging of San Francisco and San Mateo counties. It is said a movement will be shortly launched to further a campaign to consolidate both counties. A great many favor the proposition while a goodly number oppose it. No doubt the question some day will be put up to the voters to decide. The increasing population of the peninsula will have a tendency to bring annexation to a head. The citizens are not ready for the change at present, it would seem.

Give Your Support

Every citizen should support President Roosevelt to the fullest in his National Recovery Act movement. It is a measure that calls for the patriotism of every man and woman in the county. If it is given encouragement and intense support, recovery will come over night. There ought to be no slackers at this time. All should get behind the movement and push it over to success.

Any found lagging should be rebuked and censured. It is the only way the country can get back on its feet again. It may work a little hardship for a while but if it brings results and puts the vast army of idle men to work the effort will be worth trying. The sacrifice made is certain to bring manifold blessings upon the people and happiness to millions, now starving.

Local Woman Death Victim Unexpectedly

Mrs. Clarice Marie Taliaferro passed away suddenly Thursday in Redwood City. She was the mother of Olive Allice and Ada Clare Taliaferro; sister of Albert S. Johnson of New York, Mrs. Val Sobieralski of Long Island and Mrs. G. W. Rothe of Redwood City.

Funeral arrangements will be announced later. Friends may call after tonight at the chapel of the James Crowe Co. (Parmelee & Phillips).

Menlo Park

Yesterday afternoon Mrs. Margaret Gale and her daughter, Susie Gale, entertained at their home on Glenwood avenue the pioneer women of Menlo Park. The occasion was a reunion of all the old residents. Many came from afar to meet their friends of other days and recount occurrences of the old days in Menlo Park. Miss Gale had as guests members of her class, that graduated from the local grammar school. Only two were present, Mrs. Dorothy Bruce Fredericks and Miss Burnedette Clark. Invitations were sent to the nine members of the class, residing in various parts of the state, all sending letters of regret for inability to attend the function. Mrs. M. F. Duff and Miss Isabelle Duff were among the out of town guests. Many were present representing the pioneers that passed on and who in life were prominent in the affairs of the town and the memory of whom will always remain fresh and green. During the afternoon a program was rendered. Mrs. D. E. Sullivan, the talented dramatist, enthused the assemblage with her numerous recitals and witty sallies. Many of the guests took part in the program that helped make the afternoon one of the most pleasant in the history of Menlo Park. Old time songs were sung, that ones that were enjoyed by the pioneers of long ago. At the conclusion of the exercises refreshments were served. Over the festive board memories were revived of incidences, long forgotten, that added to the pleasure of the pioneers and the younger set who were unacquainted with the old history of the community.

The oldest pioneer to enjoy the occasion was Mrs. John Morriarty, who came to Menlo Park in the seventies and who is still in love with life and was the gayest member of the party.

The occasion will long be remembered by the participants. A movement was made to make the reunion of Menlo pioneers an annual affair, men to be included.

There are but a few of the old timers of this locality left and an annual gathering of them would bring joy to their hearts and happiness to their relatives. Mrs. Gale was assisted by her four daughters, Miss Susie Gale, Margaret Doughty, Mrs. D. Moore and Mrs. Dorothy Clay.

Miss Florence O'Connor, the winsome daughter of Doctor O'Connor of San Francisco, is here on a visit to Miss Emily McCarthy, a leader of Menlo's younger society set.

Last Saturday evening Mr. and Mrs. Ben Buckhout had a housewarming at their new home on Oak Grove and Madrone avenue. The evening was pleasantly spent by about 35 guests in games and the enjoyment of a dinner prepared by the hostess, whose cooking cannot be excelled. On this occasion the birth anniversary of Mr. Buckhout was observed which added to the happiness of the gay throng. Mrs. Buckhout was the recipient of a gift from C. E. Doxsee for the new home, which is the finest in that locality and the last word of modernism and beautiful in design and architectural effect.

Mayor W. H. Weeden attended a conference of mayors of California communities at the City Hall in San Francisco today. The mayors assembled at the request of Mayor Angelo Rossi, and the purpose of the meeting is to discuss unified effort in support of the navy's plans for the proposed San Francisco base. The conference will be followed by a luncheon of the Down Town Association at the St. Francis Hotel. Mayor Rossi being host to the 125 mayors attending the conference.

Mrs. Dora Scott Devol, president of the American Legion Auxiliary, one of the delegates to the convention, and Ethel French, alternate, will leave early in the week for the southern part of the state. Mrs. Devol has some army relief work to attend to before participating in the American Legion Auxiliary convention. Mrs. Catherine Derry, delegate, and Isabelle Lindquist, alternate, are the other representatives for Menlo Park and will motor to the convention which will be held on August 14, 15 and 16.

Mrs. Catherine Derry and her sister, Mrs. Carrol, of Atherton returned from a three weeks' trip to the fair in Chicago. They spent a week with their relations in Louisville, Kentucky, and much entertaining was done for them. They took the last lap of their journey by boat, embarking at New Orleans and arriving in San Francisco Monday after their delightful vacation.

There will be a card party in Legion Hall Friday at 2 p. m. by the American Legion Auxiliary.

Many members will attend a tea given in honor of District President Florence Chess of Burlingame, at the Burlingame Auxiliary headquarters Tuesday afternoon.

Mrs. Kurtz motored east and will visit relatives before returning from the fair in Chicago.

Charles O'Neil of the "Wagon" is much improved in health, and will soon be out to greet his many friends.

Isabelle Lindquist drove Billy and Emma Roberta Lindquist to the Pearce ranch at the foot of Fremont's Peak in San Juan, to spend the day with their friends, Judge and Mrs. Pearce. The judge was busy deer hunting as is his custom on the opening days. His extensive ranch provides very desirable hunting, and three deer were brought in by a party of four.

Mr. and Mrs. Harold Wild (nee Helen Aabel) returned from their honeymoon in the Santa Cruz mountains and are established in their home on Menlo avenue.

Isabelle Lindquist and Mary Junker, district deputy grand president of the Native Daughters of the Golden West, attended a luncheon given in honor of this year's deputies by Rena Matthias, supervising district deputy of San Mateo county at her home in San Francisco Saturday.

Mr. and Mrs. John F. Brooke Jr. are expected at their Menlo Park home this week after a month in Santa Barbara.

"Engine Company No. 3" was established by the Menlo Park Fire Department today at the Menlo Circus grounds for the duration of the horse show to be held there next week.

Capt. J. J. Tuttle has been placed in charge of the temporary fire station, at which three men will be on duty continually to protect the valuable show horses now arriving here daily.

RECALL STEPS NOW HINGE ON PROPER LEGAL COURSE

Decision to clear up the legal points involved in the attempts to oust four members of the board of supervisors was understood to have been reached by recall leaders at a meeting in San Mateo Wednesday night.

The conference, which it was said was limited to the leaders in the recall movement, resulted in a further determination to proceed and not to drop the efforts because the supervisors surrendered on the disputed charter points.

It was determined, it was said, that the petitions for recall should not proceed until the legal phases of the movement are clearly known.

It is believed the request for the opinion will be made to District Attorney Edmund Scott.

Join Recall Movement

The La Honda Promotion Association last night pledged support to the recall movement and named Edwin C. Seares, manager of a La Honda tract, as its representative.

Seares recently protested the condition of the La Honda road before the supervisors, and more recently sent a letter to County Controller Edward Stack and Treasurer Harry Jenkins warning them against paying County Manager Walter Kellogg's salary on the ground of his allegedly illegal appointment.

The La Honda group charges that the supervisors have neglected to adopt "any intelligent plan" for the installation of the charter, and also called the board incompetent to handle the roads. M. S. Woodhams was named as Sears' alternate.

What Law Says

The recall law calls for the securing of 20 per cent of the signatures of the electors who went to the polls at the last general election.

This petition, when properly signed, is forwarded to the county clerk, who must check the signatures as to whether or not the signers are qualified electors. The petitioner must set forth his name and address, residence, occupation, street number and day of signing.

Ten days after filing, the clerk is to determine if the petition bears the proper number of electors. If it does not, a supplemental petition must be prepared within 10 days, with similar inspection by the clerk. If the petition then fails to hold enough signatures, it is filed with the clerk "without prejudice," and is no bar to the filing of an entire new petition.

If the petition bears sufficient names, the supervisors must "without delay" call a special election for the purpose of submitting the question to the voters.

This election must be called not less than 35 days after the clerk's certificate establishes the petition as valid, nor more than 40 days thereafter. If a general election is within 60 days in the offing, the supervisors may delay the election until that time.

The ballot must contain, in not more than 200 words, the reasons for recall, and the supervisor is given the same space to defend his acts.

The ballot is to contain the name of the person to be recalled as follows: "Shall (John Doe) be recalled from the office of (supervisor)?" and spaces for "yes" and "no" must be provided.

Must Name Alternates

It must also contain the name or names of supervisors who shall be elected if the recall is successful, and the person securing the highest number of votes for that office will be declared elected.

No officer can be recalled who has not been in office six months.

Redwood City 30 Years Ago

Misses Mamie and Fanny Walker are spending a few days with their sister, Mrs. John Coats.

Mr. and Mrs. J. L. Pipkin went to San Jose Wednesday to remain until Sunday with relatives.

Many people in Redwood City were frightened out of their beds last Sunday night by the heavy earthquake which occurred about 11 o'clock.

Mr. and Mrs. C. I. Hetfield of New York spent Saturday and Sunday here as the guests of Mr. and Mrs. H. F. Butts. Mrs. Hetfield was well-known here, before her marriage, as Miss Emilie Sieberst.

The hunting party composed of Robert Chatham, Chas. Buss, S. H. Sears, William Carnduff and Chano Felix, that left here last Saturday to hunt deer near the coast, is meeting with wonderful success. Wednesday Buss killed a large five-point buck near Pomponio creek, weighing 120 pounds. It was the largest deer shot this season. A portion of the buck was sent over on the stage yesterday.

LEGAL

NOTICE OF TRUSTEE'S SALE

On Saturday, the 19th day of August, 1933, at the hour of 9:05 o'clock A. M., at the main entrance to the County Court House Building at Redwood City, San Mateo County, California, JOHN J. HAYDEN, as Trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, the following described real property:

All those certain lots, pieces or parcels of land situate, lying and being in the County of San Mateo, State of California, and more particularly described as follows, to-wit:

Lots 1, 3, 4, 5, 11, 13 to 16 inclusive, lots 23 to 26 inclusive, and the undivided interest of FRANK P. WALCOTT in lot 10, as shown on that certain map entitled "Polhemus Acres, Atherton, California," filed in the office of the County Recorder of San Mateo County, June 12, 1928, in Book 17 of Maps at Page 4.

Said sale will be made to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain Deed of Trust executed by FRANK P. WALCOTT, a single man, to JOHN J. HAYDEN, as Trustee, for the benefit of SARAH HAYDEN, a widow, and recorded in the Office of the County Recorder of San Mateo County, State of California, on the 14th day of December, 1929, in Volume 448 of Official Records, page 138, San Mateo County Records.

Notice of breach of said obligation and election to sell said real property was recorded in the Office of the County Recorder of the County of San Mateo, State of California, on the 30th day of January, 1932, in Volume 554 of Official Records, at page 116, San Mateo County Records.

This notice is given in compliance with the demand heretofore made on said Trustee by SARAH HAYDEN, the beneficiary.

Dated: This 13th day of July, 1933.

JOHN J. HAYDEN,
Trustee.

Pub. July 21 & 28—Aug. 4 & 11, 1933.

All supervisors, including Supervisor Albert Witt, Colma, have been in office more than that time.

It is generally believed that the recall shall be by "the county at large."

This is in keeping with the charter, but as the supervisors were elected by districts, the legal point whether they should not be recalled by districts, is raised.

It is suggested that safety would be had if the petitions are circulated by districts, but that the vote should be "at large."

The constitution provides, it is said, that any person who has a right to vote for the successor to the person who is to be recalled has the right also to vote for removal.

Scott said that he has not made a recent study of the recall law. Attorney Arthur Redington of Hillsborough is reported to have given Scott an opinion in which he believes the recall should be by the county at large, and State Senator Harry Parkman is reported also to have secured an oral opinion from a deputy attorney general setting forth the same view.

Signatures Needed

The number of signatures needed under the basis of 20 per cent of the electors who voted at the November election would be as follows to qualify the recall petitions:

District 1—Supervisor Albert Witt, Colma), 8559 votes cast, 1712 signatures needed.

District 2—(Supervisor Rosalie Brown, San Mateo) 8471 votes cast, 1694 signatures needed.

District 3 —(Supervisor John W. Poole, Redwood City) 9074 votes cast, 1815 signatures needed.

District 4 (Chairman Manuel Francis, Half Moon Bay) 1148 votes cast, 229 signatures needed.

District 5 (Supervisor C. V. Thompson, Burlingame) 7321 votes cast, 1464 signatures needed.

(Note: Dr. Thompson is not a target of the recall movement).

FALSE FIRE ALARM

A false alarm of fire was sounded from box 614, at Edgewood road and Somerset street, Monday at 11:20 o'clock.

Two Cars Crash As Driver Nods; Fence Damaged

Two cars were badly damaged and a section of fence was torn down here Sunday morning when a driver of one of the automobiles went to sleep at the wheel, according to his report to Officer Herman Fleishman of the Redwood City Police Department. No one was injured.

Milton Dunlap, 322 21st avenue, San Francisco, driving north on El Camino Real, told police that he fell asleep at the wheel. His car sideswiped the vehicle of Hans Luger, 365 Golden Gate avenue, San Francisco, proceeding south. Both cars were wrecked and had to be towed to garages. Dunlap's car continued on and ripped up a section of fence.

The mishap occurred at 7:30 o'clock at Nottingham and Buckingham avenues and El Camino Real, south of the city.

Citizen Group Picked to Aid Budget Study

County Manager Walter T. Kellogg Monday submitted the names of five peninsula citizens whom he suggested should "sit in with the board on the budget" and won confirmation of the idea.

The committee will consist of Alvin Hatch, Half Moon Bay; Matthew Harris, Redwood City; Earl P. Wilsey, San Mateo; Fred Lorton, Burlingame, and Carl Neuman, South San Francisco.

Fred Hoffman, speaking for the unemployed, said he believed the committee should be enlarged to include one of those ranks. This was referred to Manager Kellogg.

Upon motion of Supervisor Albert Witt, Colma, the committee was then enlarged to take in the advisory committee of the freeholders. This was seconded by Supervisor John W. Poole, Redwood City, and passed.

The U. S. Department of Commerce dealt with 218 violations of government air regulations in the second quarter of 1933.

Condemned Youth's Hopes Are Blasted

Hope that had buoyed the spirits of Jack Green as his execution day approached was blasted today by an adverse report of the Los Angeles Bar Association, according to the United Press.

Green, former San Mateo high school boy, and Joe F. Regan are scheduled to hang next Friday at San Quentin prison for the murder of Detective-Lieutenant Hugh Crowley January 11, 1932, during the robbry of the Fox Westwood Theater in Los Angeles.

Green's fate virtually depended on the findings of the Bar Association. The report of that organization withdraws practically all hope of executive clemency.

The Bar Association submitted a 359 page transcript along with a summation of its findings. It concluded there was no evidence to sustain the charge that the jury irregularly impelled the death sentence of Green.

MISSING OFFICIAL, ONCE HERE, LOCATED IN HAWAII

Robert J. Albert, deputy Santa Clara county assessor and former Redwood City resident, who has been missing from his home in San Jose since July 7, has been located alive and well in Honolulu, Sheriff William J. Emig of Santa Clara county announced today.

Albert left for the islands in a strange disappearance that resulted in a wide search for him. It was feared that he had suffered a nervous breakdown. He had not taken his wife into his confidence in his plans, Sheriff Emig said.

Sailed July 8

Emig revealed that the search he made for Albert on the San Francisco waterfront showed the official had booked passage aboard the steamship Malolo July 8. However, as there was no criminal charge against him, Emig did not put the county to the expense of cabling him in the islands.

The idea of using amateur radio then occurred to him, and he communicated with Dr. Frank E. Breene, San Jose dentist and amateur radio operator. Saturday night Dr. Breene messaged a friend in Honolulu, asking him to get in touch with the chief of police there and locate Albert.

Going Into Business

Monday night the friend replied that he had given the message to Chief of Police Gabrielson, and that the official had located Albert "in good health and going into business." He promised, according to the chief, to write his wife in San Jose.

Albert's accounts at the assessor's office were in perfect order, according to Supervising Deputy H. W. Pitman.

Albert was auditor for the Southern Pacific Company when he was here, and ran for the office of county auditor in the election of August, 1914.

Architects In Co. Ready To Help Renovize

The San Mateo County Society of Architects, a branch of the state association, will be glad to render aid and advice to property owners desiring to participate in the county-wide renovize campaign.

This was the assurance given today in a letter to the county renovize headquarters at San Mateo, by Wallace A. Stephen, chairman of the society.

Headquarters also announced that a financial aid committee for homeowners would be named in a few days in connection with the campaign.

It is not the purpose of the renovize committee to provide means for financing improvements, according to Frank McVeigh, campaign director, but it is believed that advice on how to proceed through regular channels would be an appreciated service.

F. B. LaCrosse, Half Moon Bay postmaster, has been named to serve as chairman of the renovize committee in that town.

Reuter is the one who brought the action in the supreme court to force the supervisors to retain control of county roads.

ARCHIBALD M. JOHNSON TAKES LIFE WITH GUN

In the quiet of his library, Major Archibald McNeal, son of United States Senator Hiram Johnson and widely-known attorney, early Tuesday shot himself through the heart in his Hillsborough home after penning three notes and a prayer.

The body was found a few minutes later when the butler went into the study to investigate the barking of Johnson's dog, "Dan," who was with his master.

Johnson lay dead on the floor, his face downward. The butler turned him onto his back, found him shot through the heart and summoned Deputy Coroner Frank Wyckoff and Hillsborough police.

On the table, evidently dropped there as Johnson fell from a standing position, was found a .38 Colt revolver. One shell was discharged, and four other unfired ones were in the magazine.

The bullet, which came out the back, was found on the carpet a few feet from the body.

Also on the table, according to Deputy Coroner Wyckoff, were three sealed notes, all of which had been stuck into a large unsealed envelope. The notes were addressed to "father," "mother," and Felton Elkins, Santa Barbara, a client.

Wyckoff also found a bottle which contained some sleeping tablets and an examination indicated Johnson had taken four of these, and also a bottle labeled "poison" which had been purchased last October and was a dog medicine, Wyckoff said. He did not attach any significance to the presence of the poison as there were no outward indications of poisoning, he said.

Appeared Tired

The butler, who said Johnson came home late yesterday from Santa Barbara and appeared "very tired," fixed the time of the suicide at about 2:30 a. m. He said he left Johnson at about 10:30. Johnson had lounged about the house in his pajamas after dinner and a bath.

The prayer, also found on the table, indicated that Johnson might have had some financial worries and also that he was distracted over the loss of his wife, who divorced him in Reno on June 13, and who has since remarried.

Senator Johnson laid the son's suicide to "ill health and worry." He issued the following statement:

Senator's Statement

"All of our family are prostrated and in seclusion. I am unable to say anything except that my dear son, suffering from ill health and worry, shot himself to death at 2:30 a. m."

Johnson and his other son, Hiram Johnson Jr., rushed to Hillsborough when informed in San Francisco of the tragedy.

Johnson was divorced last June 12 by Mrs. Martha Ruddy Johnson, who secured a decree at Reno, Nev. Mrs. Johnson testified her husband was guilty of mental cruelty.

Shortly after Johnson and his wife were divorced she was married to Comm. Howard A. Flanigan, U. S. N., Washington. The couple are on their honeymoon but are expected to return to Washington shortly.

Johnson was an artillery major during the war and served overseas. His battles included Chateau Thierry where he was wounded.

He was prominent in San Francisco peninsula society and a sportsman of note. He owned several race horses which have been carrying his colors at Tanforan. He also was a polo player and an amateur boxer.

Johnson Leaves Rhymed Prayer Near His Body

Here are two verses of the poetical prayer penned by Archibald Johnson before killing himself:

From one who stood at fortune's hand,
With all that fortune might command,
And never thought of woe,
Who now stands stripped and naked there,
Where fortune cast him without care,
And halts to make a simple prayer
Before his time to go
Upon the lonesome road beyond,
Perhaps dear God you heard—respond.

II.

Keep me God from being, please.
One who's beaten to his knees
In the game of life.
Keep me, God, from compromise
With honor, truth or woman's lies
Ere I leave this strife.

Morrissey Quits Post Of Counsellor

Was Appointed Week Ago By Board Of Supervisors

JOB 'TEMPORARY'

Webb's Decision On Road Control May Be Accepted

Less than seven days in office, Attorney W. H. Morrissey of Redwood City resigned Monday as "county counsel" of San Mateo county.

Morrissey gave as his reason for the sudden resignation "that his duties are no longer necessary."

The supervisors accepted his resignation at an adjourned meeting Monday.

The motion to accept was made by Supervisor Albert Witt, Colma, and seconded by Supervisor John Poole, Redwood City.

Morrissey, appointed by the supervisors to advise them on charter matters because of District Attorney Edmund Scott's asserted "bias" toward the new organic law, sent the following written communication transmitting his resignation:

"Mr. Robert Harrison of the attorney general's office has advised me that the powers and duties of the supervisors are controlled by general law and will prevail in all the provisions of the charter in conflict therewith.

"Consequently, as my services were only of a temporary nature, they are no longer necessary and I therefore tender my resignation, effective this date (July 31)."

C. H. Gatchells Return From Middle West

The Rev. Charles H. Gatchell, pastor of the First Baptist Church in Redwood City, and Mrs. Gatchell have returned to this city after an absence of three weeks, during which time they enjoyed an automobile trip to Chicago and elsewhere in the central states.

The Gatchells visited the Century of Progress Exposition in Chicago, and were thrilled by the sight of General Italo Balbo's fleet of planes from Italy as the silver ships soared over the lake.

In Chicago, too, the Rev. Mr. Gatchell visited a friend who has a Sunday school class of 400 young men—"something unusual in these times," as the pastor put it.

The Gatchells were in Cleveland and various places in central Ohio. Mr. Gatchell conducted services in Decatur, and at his old church in Findlay, Ohio, where he had preached for 14 years. He also visited the college from which he had been graduated, and had the discomforting experience of having his pocketbook stolen while on the campus. "I remarked," said the minister, "that it was rather disturbing to come home to be robbed."

In Salt Lake City, the Gatchells attended a jubilee of the Mormon church, commemorating historical evens of 1837-1857.
